GO BIG OR GO HOME

When it comes to shade, more is better. The new supersized Paseo XL Umbrella measures up to 9.5'H by 14'W. Available in octagonal or square canopy shapes, the umbrellas are outfitted with Sunbrella's new houndstooth-patterned sun-resistant fabric. \$3,999 (sbumbrella.com)

UP TO THE TEST

Created with durability in mind, Valspar Reserve with HydroChroma Technology is a paint and primer in one featuring advanced fade resistance. Tested to withstand mildew, dirt and prolonged sun exposure, the tough paint adheres to such rough surfaces as stucco. Prices vary. (lowes.com)

HELLO, SUNSHINE

Float in the pool while indulging in a Netflix binge? Now you're talking. SunBriteTVs are specially engineered to withstand rain, dirt, insects and, most importantly, extreme temperatures and UV rays. The slim LED TVs are great for placement near pools, on patios and even in the most sun-filled outdoor areas. Prices vary. (sunbrite.tv.com)
