# ESCAPE PLAN

With spring in the air, we can't stay cooped up like a menagerie any longer. Get some breathing room by taking it outdoors—in style.

Produced by Ashley Hotham Cox

## PSYCHEDELIC WONDERS

Inspired by late 1960s and early '70s fashion and art, outdoor living is tie-dye for. Reimagined patterns, vibrant colors, and innovative shapes create a kaleidoscopic scene in your backyard and beyond—redefining comfortable living.
