▲ **NEW LOOK** Kettal's Glaze paint finish for aluminum surfaces replicates the look of ceramics, offering a durable alternative to powder-coating. The new finish comes in eight colors conceived by Doshi Levien; pictured here on a tabletop in the Vimini collection. [kettal.com](http://kettal.com)

► **CALIFORNIA DREAMIN'** Santa Barbara Umbrellas' custom-crafted Santa Barbara Sunset model brings a splash of color inspired by the dramatic sunsets in that picturesque locale. A canopy in four fresh hues—French Pink, Malibu Blue, Watermelon and Tahitian Blue—sits atop a solid-teak frame. [santabarbaradesigns.com](http://santabarbaradesigns.com)

▲ **SLEEK STYLE** A graphic, light silhouette characterizes Roche Bobois' Angel Collection of outdoor furniture, designed by Silvana Angeletti and Daniele Ruzza. Made of curved aluminum tubes that split and meld like tree branches, the line includes optional glass tops for the tables and generous cushions for lounge seating.
